Work Try-Out

Program: The Work Try-Out (WTO) is a program in which ACCES-VR can reimburse a new employee's wages for up to 480 hours in order to give the employee and employer a chance to assess whether the employee's skills match the job requirements.

Rationale: When a person demonstrates strong skills in school or in a non-work setting but lacks employment experience, the WTO can give the employer the opportunity to assess the person's actual abilities at the job.

Benefit: In addition to reducing hiring costs, the WTO provides a unique opportunity to insure the job is the best fit for both the employer and employee.

**WTO: A win-win for
your company and
your new employee!**
